### 1. Principle and Rationale

Reference is made to Strategic Sub-issue No. 5.4 on a transparent city under Strategic Issue No. 5 on promoting the creation of a participatory democratic city of the revised 20-Year Development Plan for Bangkok Metropolis (B.E. 2561-2580); Goal No. 5.4.2 in having efficient disciplinary implementing system relating to malfeasance and corruption and mechanism for preventing malfeasance and corruption in the future of the Strategic Sub-issue No. 5.4 on a transparent city under Strategy No. 5 on promoting the creation of a participatory democratic city of the 20-Year Development Plan for Bangkok Metropolis Phase 3 (B.E. 2023-2027); and the policy of “being transparent, saying no to bribery” of the Governor of Bangkok (Mr. Chadchart Sittipunt). The Bangkok Metropolitan Administration (BMA) has seen the importance of pushing forward actions against bribery in order to propel the Development Plan for Bangkok Metropolis and the Governor of Bangkok’s policy for preventing corruption and misconduct and bringing about concrete results. Furthermore, Bangkok Metropolitan Administration civil officials and personnel as well as persons who perform other duties in agencies under the Bangkok Metropolitan Administration can observe these as a guideline; therefore, the Anti-Bribery Policy shall be designated to apply as a guideline against bribery.

### 2. Objectives

2.1 To promote and encourage agencies under the Bangkok Metropolitan Administration to see the importance of management and administration with transparency and being free of malfeasance;

2.2 To state an intention to be an agency that is free of malfeasance and without all kinds of bribes; and

2.3 To set up a guideline against bribery of the Bangkok Metropolitan Administration.

### 3. Scope of Enforcement

The Guideline under the Anti-Bribery Policy of the Bangkok Metropolitan Administration (BMA) shall be enforced on Bangkok Metropolitan Administration civil officials and personnel as well as persons who perform other duties in agencies under the Bangkok Metropolitan Administration.

### 4. Definition

Bribery means any properties or benefits, presents, and gifts that are offered, promised to give, and granted; acceptance, giving or requesting for anything to do, not to do, or delay doing any acts in the discharge of duties under official positions no matter such acts are lawful or unlawful;

Property means assets and formless objects which are possibly valuable and can be owned by a person or entity like money, houses, cars, and stocks;

Any other benefit means any other benefit given to each other as a friendly gesture, awards, gratuitous gifts, offers for assistance, offers for remuneration, privileges which are not ones provided to general persons for getting discounts or offering privileges for having services and entertainment as well as bearing expenses for trips or tourism, accommodation, meals or any other same things whether it is giving cards, tickets or any other pieces of evidence, payment in advance or reimbursement as well as facilitation payment.

Corruption means malfeasance by using or relying on one's positions, duties, power and influences for benefit of oneself or other persons. This includes the seeking of benefits done by private business sectors in the form of giving bribes or recompense to politicians or government officials in order to gain their desired benefit like those in the form of procurement bidding, giving concession and so on.

persons who perform other duties in agencies under the Bangkok Metropolitan Administration means persons who work for the Bangkok Metropolitan Administration in which ordinances of the Bangkok Metropolitan Administration, regulations, rules, and criteria prescribe the performance of duties, both permanent and temporary, or the working timeframe of not exceeding the Fiscal Year and such persons shall receive wages, payment from the performance. Moreover, this also includes contractors under the individual service contract according to the Regulation of the Ministry of Finance on Public Procurement and Supplies Administration *mutatis mutandis*.
